

Parent Engagement Log

Parent Name: _____ Child(ren)'s Name: _____

Grade(s): _____ Month Reporting: _____

What is Engagement?
 Engagement is when parents, grandparents and other caregivers actively support their child's learning through memorable experiences. Not all learning takes place in a classroom and there is lots to learn from those that love them most, their family.

Fill in your hours below by checking off the indicated box or write in your own activity then mark the time. Should you need more Engagement ideas please check the Helping Hand Board at school. Remember that the La Fe Prep School Contract obliges parents to participate and document at least 5 hours per month. This can include: At School Engagement (can be all 5 hours!), At Home Learning (2 hrs max), and Fun Learning (1 hr max).

All logs are due the last school day of the month.
